

Maximise the Value of Your Business

Strategies for effective business performance and succession planning.

Breakfast Briefing Series – Norwest

In conjunction with our events partners, we invite you to attend our series of business breakfast briefings at The Crowne Plaza, Norwest.

27th July – Employee Share Plans – how and why?

7th September – Planning your business exit - How to double the value of your business and sell within 3 years

19th October - Business Valuation – what is your business worth and how do you improve that value?

23rd November – Funding Growth – how do you manage and fund the growth of your business?

8 am – 9.30 am – including a light breakfast

Most business owners go into business to build their equity value and sell.

Unfortunately, many never get there – 55 % OF BUSINESS EXITS ARE FAILURES!

- Learn the strategies, structures and processes to successfully ensure the long- term value of your business is retained.

- Understand the options available to you in terms of strategically planning for the sale of your business.

Your business doesn't have to retire when you do!

With 51% of small business owners planning to use their business as their PRIMARY source of retirement funding, it is critical for you to understand how to groom your business for a successful transition to new ownership, plus get the best possible financial outcomes.

And, even if you plan to be in your business for another 10 years or more, now is the time to put your succession planning in place. There are a number of innovative strategies you can employ now to ensure your future business transition is seamless and yields the best possible return.
